Department of Computer Applications

"Powered by Progress , Inspired by Vision"

Session 2025-26

VISION

"To be the source of bringing out globally competent pioneering computing professionals, researchers, innovators and entrepreneurs and thereby succeed and contribute value to the knowledge-based economy and society."

MISSION

1. To offer high-grade, value-based Post-graduate programme in the field of Computer Applications.
2. To develop the youth into professionals who can work in team, possess high analytical abilities, and help in solving complex problems of various domains through principles of computer science and applications.

Department of Computer Applications
